

# Fun Afternoon

*Luderick Park - Bemm River  
Easter Sunday 5<sup>th</sup> April*

*12:30 pm : Barbecue  
1:00 -3.00pm : Casting Competition  
1:30 pm : Fishcare for Juniors*

*Organised by the Bemm River Angling Club Inc.*

The Fishcare Workshop for has been so successful Bemm River it will return. The programme focuses on educating the children who learned the basics of fishing, casting, bait and knots at the Fishcare Fish Right Workshop but they have something for everyone.

Lunch will be provided in the form of a sausage sizzle. All are invited to drop by and try a sausage in bread with our special onions. Bring a chair and relax over lunch. The barbecue will be free to participants in the Fishcare workshop, all Juniors and to Bemm River Angling Club members. Others will be charged for the privilege.

There will be a casting competition for all ages during the afternoon with prizes awarded. The competition will continue until the end of Fishcare. Non-members will get a free membership to the Bemm River Angling Club if they can cast the plug into the bucket. All juniors will get a small gift for attempting their casting set.

The Bemm River Angling club will have shirts, badges stubbie holders and other items for sale. The Bemm River CFA may have their new fire truck on display and will be running fund raising raffles.

The Fun Day will be at Luderick Park, Bemm River on Sunday afternoon 5<sup>th</sup> April 2026. The aim of the Fishcare workshop is to teach the younger children how to fish and the lessons taught will be put into practice at the edge of the Lake. Fishcare is promoting 'Fish Right' which supports responsible and sustainable fishing attitudes and practices. Come along and cast a line with us for some fun. The Workshop is free and no booking is required - just turn up.

This project is funded by the Victorian Government using Recreational Fishing Licence Fees.
